

UNIVERGE BLUE® CONNECT ROOMS

Video Conference Room Solution

ENHANCE YOUR MEETING COLLABORATION, ANYTIME, ANYWHERE

With the ever-changing work environment, UNIVERGE BLUE CONNECT ROOMS helps to bridge the gap between in-office and remote meeting attendees for businesses of all sizes.

Keep your workforce connected and extend the powerful collaboration capabilities of CONNECT to any conference room with this FREE add-on license. CONNECT ROOMS is built to deliver the simplicity of CONNECT MEET through a consistent and familiar user experience from desktop to conference room. CONNECT ROOMS works with existing audio and video equipment and only requires a small PC and controller tablet, all of which are available off-the-shelf.

CONNECT ROOMS IS FULLY INTEGRATED WITH UNIVERGE BLUE CONNECT

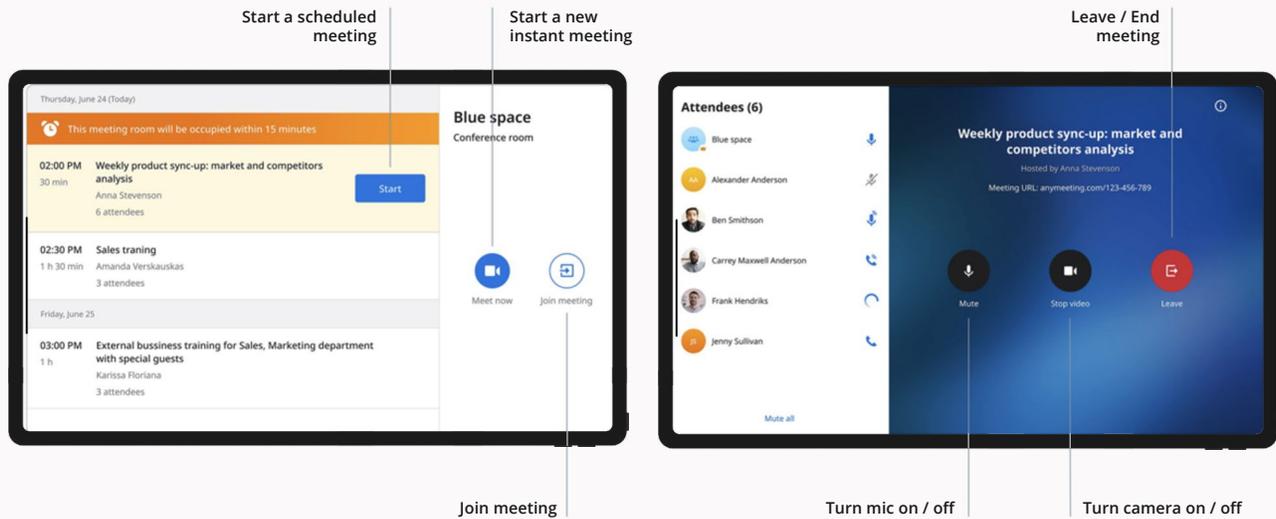

This functionality brings unrivaled simplicity for end users and IT managers. Users can:

- Easily reserve a conference room and simultaneously schedule a video conference for both in-office and remote workers
- Join any scheduled conference meeting from the tablet in the conference room with one tap
- Start an ad-hoc meeting in a conference room and invite others who are remote or in office
- Join a meeting from a conference room or remotely without host authorization

A TABLET IN THE CONFERENCE ROOM CONTROLS THE MEETING FROM THE ROOM FOR IN-OFFICE PARTICIPANTS

FEATURES AND BENEFITS OF CONNECT ROOMS

EXISTING HARDWARE

Utilize equipment you may already have. CONNECT ROOMS works with most displays, projectors, speakers and microphones. An Android™ tablet and meeting room PC control the experience.

NUMBER OF PARTICIPANTS

Allows up to 200 attendees in a CONNECT ROOMS meeting depending on the UNIVERGE CONNECT license.

ATTENDEE FUNCTIONALITY

Share meeting control by starting a meeting on behalf of the meeting organizer from the controller tablet in the room. From a laptop, users can: share content, take notes, record sessions, and chat throughout the live session.

SIMPLICITY

CONNECT ROOMS delivers the simplicity of CONNECT MEET through a consistent and familiar user experience from desktop to conference room.

UNIVERGE BLUE[®] CONNECT ROOMS

MEETINGS FROM ANYWHERE

Connect with coworkers while in the office or remote from wherever, whenever.

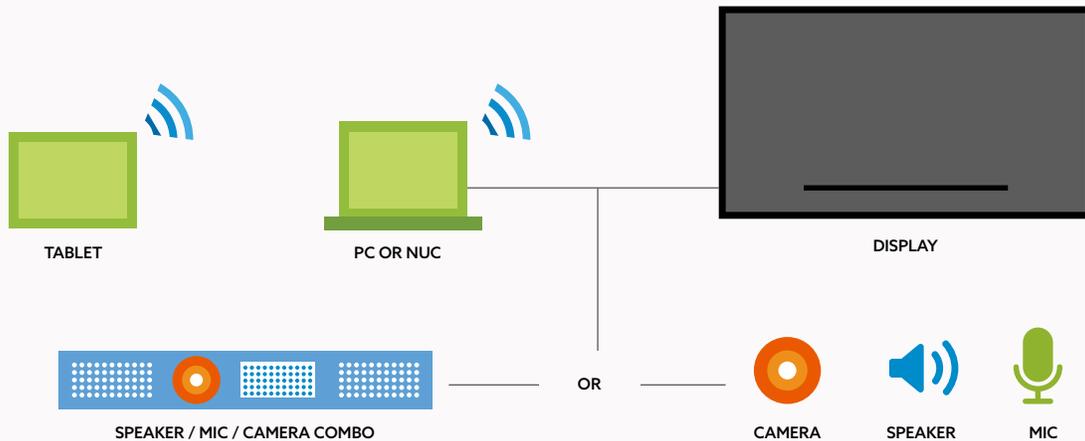

INCREASED COLLABORATION

CONNECT ROOMS brings people together, increasing productivity and collaboration between employees near and far.
